DELON OLSON

Delon,

I can't believe this finally graduating, but I'm glad I am
I'm sure you'll enjoy your Sr. year as much as I did. You
get a few more privledges. You'll have to find someone
to pick on in band now that the Sr. will be gone
& you'll have to pull your kinky sex tucks on. Be good &
behave yk.

Love yk. Christine S. '82

Delon,
I'll bet you think next year
you'll be a nice,
handsome Sr. - what fun.
I hope that you
get the best of
your life that you
can. We'll see
you & you'll find I'm
still a pal.

Love ya,
Dad Blessy

Delon,
I never really saw you
much here in the
summer but I
didn't want to miss
you as a
Senior pal.
I have a good summer
and don't party too much
Cat sits around
(& sleeps) and
takes naps and
(& sleeps) takes naps
too much.

Love ya AFA
Aunt Pam

Dalon, (schnookums?)?!?!
Well this yr. Sure has been fun. I'm really glad I got to know you better this yr. You sure a trip, but a cute one at that! I can't believe we will be "seniors" next year! Oh well, I hope this next yr. is better than this one, I hope you had a fun yr! All those crazy parties, they sure were fun though. I hope all see ya @@ some time this summer and maybe next year too. I shall will see you this summer in marching band and probably at the pool. But until then I hope you have a terrific summer and safe party too hardy, Take it easy!

P.S. Keep Smiling

I already wrote in it, Dalon - But we only have one week left to wait what's gonna happen then ?!?! Ha-Ha... What are we gonna do on our date? Well, I mean

Sure ya don't forget & I'll see ya (yes I spelled it right)

Delon,

I can't believe this year. It's gone so quickly - but I enjoyed every second of it!! Too bad we didn't have more classes together. I would have liked that!!. I wish I could go back and start the year over so I could correct some of the terrible mistakes I made. (I won't mention any!) I also wish I could start over in Basketball season again - that was such a great time for me. All those games & bus rides with the players!! Youre a really great guy, Delon, even if you do pick on me alot. The nice guys are getting fewer and fewer but youre up there with the best of them (the best-looking too). Well, I'm running out of things to say. Sorry it's not as long as you wanted. I hope I see you alot over the summer. At the pool maybe. Take care of yourself & try hard to stay out of trouble. (I know it's hard!)

Ofa.

Love,

Sue '83

DELON,

Well, ya know when you told me a few years ago that everyone called you a "flirt" - and I didn't believe you then? Well, I believe ya now! So, how did you like your Junior year? I certainly enjoyed my Sophomore year - especially when John and I got together... I'm really glad we did - So if John & I break up - expect me to be dead the next morning! I know you must get sick and tired of "little ol' me" tagging around you & John - but once again - Thanks!! for all of the rides & times we all had together! We haven't had a really good fight for along time - let's keep it that way!

Homecoming turned out to be a real great week. All week long there were spirit days, which were lots of fun. Monday was Security Day, Tuesday was Dress Up Day, Wednesday was Army Day, Thursday was Crazy Day and Friday was Maroon and White and Slave Day.

On Thursday night the crowning of the queen and the Bonfire were held. The 1981 queen was Kim Martin and the king was Randy Swiggum.

Friday night was the most important, the game against Ithaca turned out in our favor to make the dance a greater success.

Music was provided by Z-93 Music on Wheels.

Record

The 1981 North Crawford football team experienced great success in their 9 game season. Although losing their first three games by close scores, they bounced back to win their next 6 games, and establish a mark in the record book for most consecutive wins by a North Crawford football team. The defense of the Trojans was a key to their success, only allowing 26 points for the highest number scored on them, and a big plus for holding the state champion Cashton Eagles to only 13 points.

The Trojans will lose 11 seniors; John Knoble, John Mather, Mark Cashman, Randy Swiggum, Al Eitsert, Robert Johnson, Rob Stuckey, Jim Hansen, Derrick George, Phil Davenport and Mike Herfel, but should look to be tough contenders in the conference race in 1982.

The North Crawford Boy's Basketball Team experienced much success in their 1981-82 season. Early on in the year the team took first place in the West Salem Holiday Tournament, and were continually adding victories to their undeafeated record of 12 and 0. The Trojan team, always known for their tough defense, used this tough defense to crush many of the opponents they faced early in the year. Although the Trojans will lose seven Seniors off this year's team, they should once again be picked to finish near the top of the conference again next year.

This year's Girls Basketball Teams experienced two new coaches, Mr. Boyle and Mr. Schroeder. This year the NCHS Wrestling Team had a super great season. Their record was 9-0. They started out the year by placing 2nd at the Royall Invatational. This win was followed by a 1st place win at the Dodgeville Invatational. They also received a 1st last year at Dodgeville.

By defeating Ithaca 39-19 they became the 1981-82 Conference Champs. For the first time in Crawford's history the wrestlers managed to capture the 1st place Conference Tournament trophy by defeating DeSoto, Ithaca, Kickapoo, Seneca, and Weston at the Conference Tournaments which were held at Kickapoo on Feb. 6.

Next year the Wrestling Team will be without 9 Seniors, but they are looking forward to another strong season.

IN MEMORY OF TAMMY JO JOHNSTON

November 23, 1964- July 19, 1981

To some Tammy was just another face in the crowd, but to many of us she was someone very special. Tammy seemed to touch everyone with just a smile or a simple "hi."

She seemed to always care what happened to her friends and family, plus everyone always seemed to care what happened to her. She always seemed to cheer up the bad times by just giving a little grin. Now she is no longer here to share the good and bad times, but there will always be a place for Tammy in our hearts.

IN GRADITUDE . . .

We Present "School Daze"

To

MRS. PYHLLIS IVERSON

Twenty-five and a half years of teaching sounds like a long time, but there is a special lady who seems to enjoy it very much. She started in 1953 teaching at Davis Dale and she left there in 1957 to teach at the Soldiers Grove Elementary School.

After two years and three months she moved on to Gays Mills Elementary where she taught from 1961-1965. After one year at the Junior High she changed to the Senior High. Although presently teaching eighth grade Math at the Soldiers Grove Middle School, she has been primarily an English teacher and head of the Forensics department for a number of years.

Even though she is no longer at the Senior High, she still comes down every night during Forensics to help the kids out. She also was co-director of this year's musical. She has attended many school activities and is always willing to give a helping hand(s).

During her twenty-five and a half years in education she has served as a part-time counselor and assistant principal. There aren't many with the energy to teach, farm, run a business, raise a family (four boys!), and remain a helping, joyful and pleasant person. She is a great inspiration to us all.

To a unique person with a unique kindness and understanding towards all, we dedicate this year's Trojan "SCHOOL DAZE," to Mrs. Phyllis Iverson, whose pleasant smile and loving friendship will remain with us forever.

the secretaries' story

Joan left North Crawford High School to take over the family business after almost nine years of being the high school secretary. She and her husband Bud Everson are now managing Turk's IGA in the solar town. Many of us grew fond of her and were sad to see her leave. On October 16th the student body held a rally in Joan's honor. Many of the school's organizations expressed thanks to her with gifts and meaningful words. Nevertheless Lana became our new secretary. She is married and has two sons. Now you see Lana's smile over the office counter and Joan's you will see over a different counter in the IGA store.

Composing a yearbook has to be one of the most time-consuming, headache-making tasks ever invented. It takes a lot of teamwork and organization. We try to present to you a complete, satisfying and memorable yearbook, but it is very hard to please everyone. I hope that this year's TROJAN leaves you with the memories of your 1981-82 "SCHOOL DAZE."

This has been a great year, but it's hard to believe I'm graduating. What are you going to do without me? I guess you will have to find someone else to stick drumsticks down their shirt. Band lessons were a lot of fun even if you and Randy did get carried away sometimes. Enjoy your Senior year because it really goes fast.

This year was really pretty excellent. I hope you
think so too. I had a good time overall. Having
in Geometry and Band was a real gas. I hope
we have a few classes together next year. It's
un when your in the class because you and
nd Rich really know how to goof around...
rthout getting caught. You have a good
ummer, you too? I'll see you at all
hose parades that have 3-hour long bus
ides. Will have to think of something
o do to past the time. (Use your mind) Really I
ope you have the best summer ever, cau
ou deserve it. You a sweetheart. Bye!

Cole

ou'll probably be in Gays also so I'll see
ou this summer.

I really don't have
to say. I guess with
school, work, and
fun at the club it's been a very
busy summer. I had a real
good time with you guys
this summer. I had many laughs
and memories. I'm sure we'll
have many more next summer.
I'm not sure what we'll do
next at work but it'll be fun
whatever it is. I think
we should go around and
see if we can find
some girls to go
around with. Well
I'll be leaving
you guys
maybe
this
weekend
to go
back
to the
farm
until
school
starts
up
again.
I'll
miss
you
guys
a lot
and
I'll
see
you
guys
next
summer
if not
before.
Bye
Bobbie
